EDUCATION SECRETARIAT

Dated 25th June 1946.

No. M. 13983—G. M. 32-45-41. The accompanying announcements by the Government of India, Department of Commonwealth Relations, regarding the Hajj Pilgrimage to the Hejaz in 1946 and the instructions to intending pilgrims for securing passages are published for the information of the Public.

9474 N. S. HIRANNAYYA, *Edn. Secy.*

GOVERNMENT OF INDIA, DEPARTMENT OF COMMONWEALTH RELATIONS.

Announcement regarding 1946 Hajj Pilgrimage.

As the number of intending Hajj pilgrims this year also is most likely to be far in excess of shipping accommodation available for pilgrim traffic, the Government of India, in order to avoid congestion at the pilgrim ports and unnecessary expense to intending pilgrims, have decided in consultation with the Standing Committee on Pilgrimage to the Hejaz, the representatives of the Port Hajj Committees and the two shipping companies, that they should take over control of booking as they did last year.

Passages will be allotted according to the priority rules governing the allocation of passages on pilgrim ships. For this purpose a Hajj Booking Office has been set up at room No. 57, Council Chambers, New Delhi. Detailed instructions

for securing passages will shortly be announced as advertisements for the information and guidance of intending pilgrims.

As there has been a consistent demand for some sailings before the month of Ramzan, and as the shipping space is far less than the expected demand for post-Ramzan sailings, the Government of India propose to arrange one or two sailings in the month of July 1946 provided applications are received in sufficient numbers. The Government of India are further contemplating to open all the three ports *viz.*, Karachi, Bombay and Calcutta, to pilgrim traffic this year; but on account of certain difficulties, there might be only one sailing from Calcutta.

Instructions to intending pilgrims for Hajj Pilgrimage for securing passages.

Detailed information regarding different items of expenditure will be announced when available. All intending pilgrims should note that Mutawwif fee including other compulsory Saudi Arabian Government taxes has been raised from Rs. 198-12-0 of last year to Rs. 486-8-0 for this year, although there is a substantial reduction in transport charges. Every pilgrim will have to pay Rs. 486-8-0 immediately on landing at Jedda. They may also have to pay minimum transport charges of Rs. 33-6-0 immediately on landing at Jedda.

The Provisional estimate of the total cost of the next Hajj including a visit to Medina will be as follows :—

	Pre-Ramzan Sailings. Rs.	*Post-Ramzan Sailings.* Rs.
Deck pilgrims who may travel by camel in the Hejaz.	2,200	1,600
Deck pilgrims who may travel by third class lorry in the Hejaz.	3,025	1,800
Second class pilgrims who may travel by second class lorry in the Hejaz.	3,560	2,300
First class pilgrims who may travel by first class bus in the Hejaz.	4,300	2,800
First class pilgrims who may travel by de lux car in the Hejaz.	5,300	3,300

Pilgrims with inadequate funds must not apply.

2. Children up to one year will be carried free but those between one and ten years will be required to pay half the steamer fare and food charges. For children between five and ten Muallim dues and transport charges in the Hejaz will be charged at half the rate. Those under five are exempt from paying these dues. Cost of steamer fares will be announced in the press when settled. Last years, First, Second and Deck class return fares were Rs. 900, Rs. 650 and Rs. 250 respectively including food charges.

3. Pilgrims should apply to the Hajj Booking Officer, Room No. 51, Council Chamber, New Delhi, by registered post on a prescribed form copies of which are obtainable free of cost from the Port Hajj Committees of Bombay, Calcutta and Karachi, Provincial Haji Committees of Peshawar, Lahore, Patna, Lucknow and Calicut, Divisional Hajj Committees of Sylhet and Dhubri Central Hajj Pilgrims' Protection League, Kashmere Gate, Delhi and the Hajj Booking Officer, New Delhi. As announced earlier there will be one or two pre-Ramzan sailings, provided applications are received in sufficient numbers. There will be no second class accommodation for pilgrims sailing before the month of Ramzan. Allocation of passages for these sailings will be done according to the priority of application and will not be subject to Provincial quotas as the post-Ramzan sailings will be.

Applications not on prescribed form but giving the following information will also be accepted. Attention of applicants is particularly drawn to paragraph 4 of this advertisement in this respect.

Applications received in illegible handwriting and without the prescribed amount will not be considered under any circumstances.

5. Passages for post-Ramzan sailings for 1st, 2nd and deck classes will be reserved by the Hajj Booking Officer in accordance with the priority rules governing the allocation of passages on pilgrim ships. In order to obviate the disadvantage at which the pilgrims of rural areas may be placed, it has been decided to begin the registration of applications from the 23rd of May. Applications however will be received as soon as this announcement appears in the Press. Applications received before the 23rd of May will have the same claim to passage as those received on that date. In case of Delhi, registration will however begin on the date of the announcement in the local press. If on a fixed date to be announced later applications from a particular province fall short of the quota fixed for that province the available space will be allotted to other provinces in proportion to their quotas and in order of priority. Foreigners should apply only to the representatives of their respective countries. In case of countries who do not have accredited representatives, applications should be addressed direct to the Government of India, in the External Affairs Department, New Delhi. Muslims residing in Empire countries should however apply direct to the Hajj Booking Officer.

6. Pilgrims will have no right to choose the port of embarkation and the ship if possible, but the Hajj Booking Officer will try to meet their wishes in the matter of passage. Effort will also be made to book pilgrims from the port nearest to their homes subject to the availability of shipping space. The final decision for the allocation of ports and ships will rest with the Hajj Officer.

7. Reservation cards will be issued by the Hajj Booking Officer to successful applicants. His decision will be final. Steamer tickets will be issued only to holders of reservation cards which should be produced at the time tickets are purchased. Persons who secure the reservation cards must reach the port mentioned therein by the specified date.

8. Persons who do not receive reservation cards *must not* leave their homes as their passages cannot be guaranteed. Unsucessful applicants will get their money back less the money order commission on the conclusion of the outward pilgrim season. Applicants who sent money to the Hajj Booking Office last year but could not secure passage and their money has not been refunded as yet to them can apply afresh on the strength of that deposit. They are required to apply again and their applications submitted last year cannot be held valid for this year. They should remit the additional amount of Rs. 6-6-0.

9. Arrangements are being made to charter two aeroplanes for air travel to the Hejaz to function during the pilgrimage season. It is expected that two Dakotas each seating 16 pilgrims will be available for the purpose. The cost is not known as yet. If the scheme matures an anouncement will be made in the Press to the effect. All enquiries about air passages should be addressed to the Hajj Officer, Department of Commonwealth Relations, New Delhi.

10. Pilgrims are informed that food is very scarce in the Hejaz these days. Efforts are being made to make available sufficient food for pilgrims there. However, due to the general shortage of food all over the world, no guarantee can

be held out in this respect. Arrangements for this year's Hajee Pilgrimage are subject to adequate supply of food.

11. Pamphlet containing full instructions will be sent in due course to successful applicants along with their reservation cards.
